(Pre-Application Consultation Reference ABP- 311973-21)

On behalf of Seabren Developments Limited, Century House, Harolds Cross Road, Dublin 6W, D6W P99, and Circle VHA CLG, Phoenix House, 32- 34 Castle Street, Dublin 2, please find enclosed a planning application for a Proposed Strategic Housing Development (SHD) in respect of a c. 0.88 ha site at Glebe House (A Protected Structure, RPS Ref. 7560) which includes the light industrial lands to the rear and the vacant site of the former Coruba House, St Agnes Road, Crumlin, Dublin 12. side of Glebe House above a ground floor café, in the south east pavilion. The development includes the refurbishment of Glebe House, a protected structure, into two apartments. Demolition of all workshops, offices and sheds to the rear and sides of Glebe House. Provision of Public Open Space in front of Glebe House, and to the south east, together with Communal Open Space at podium level and to the rear of Block A. new pedestrian path is proposed between Somerville Drive and St Agnes Road and the application includes all other works to facilitate the proposed development.

#### **Strategic Housing Development**

The application is made under Section 4 of the Planning and Development (Housing) and Residential Tenancies Act 2016 ('the SHD Act') and complies with the requirements of the Planning and Development (Strategic Housing Development) Regulations 2017.

#### **Pre-Application Consultation**

The application is made following a Pre-Application Consultation with An Bord Pleanála and the receipt of a Notice of Pre- Application Consultation Opinion (Pre- Application Consultation Reference ABP- 311973-21).

#### Glebe House

The proposed development includes the refurbishment of Glebe House, a Protected Structure. Unfortunately, subsequent to the Pre-Application Consultation with An Bord Pleanála, this building was damaged by a fire. In particular, the roof was badly affected, leading to considerable ingress of rainwater. The owner, Seabren Developments Ltd, is concerned that this may lead to further deterioration of the fabric of the building and hopes to reinstate the roof as soon as possible, under the provisions of Section 4(1)(h) of the Planning and Development Act, 2000. Discussions have been held with the Senior Conservation Officer in the Council and it is proposed to carry out the emergency repairs as soon as is practicable. But any such reinstatement is entirely subject to determination that this is appropriate, by the Planning Authority, under the provisions of Section 5 of the Act.

#### **Copies of Application**

Please note that 3 no digital copy (including a .dwg ITM file) and 2 printed copies are enclosed and that 1 no. digital copies (CD, including a .dwg ITM file) and 6 no. printed copies of the documents enclosed with this application have been submitted to Dublin City Council, while 1 no. copy have been prepared for each of the 7 statutory consultees in accordance with Section 8 (1) (b) of the SHD Act and the notice of Pre- application Consultation Opinion (Reference ABP- 311973-21). The 7 no. prescribed authorities as noted in the Board's Opinion are as follows:

- Irish Water
- Transport Infrastructure Ireland

### **Strategic Housing Development Fee**

A electronic payment fee of €20,954.40 has been made to An Bord Pleanála, being the fee payable for 150 residential units, creche and café.

#### **Schedule of Documents**

A full schedule of the application Documents are outlined in the table in Appendix 1 below, a schedule of drawings and plans is also provided.

We trust that the above is in order. Should you have any queries in relation to the above, please do not hesitate to contact the undersigned.

Yours Sincerely
